

If Sick

Don't risk even one single penny!
And I will tell you why I say this.
It is because every package of Dr. Shoop's
medicine is absolutely free of charge.
No one need risk even one single penny.
Just think what this means to the suffering
sick!

No risk, no expense, nothing whatever un-
less health first returns for 30 full days, and
without the risk of a single penny, you can use
either of my two famous remedies: Dr. Shoop's
Restorative or Dr. Shoop's Rheumatic Remedy.

Then why take any chance whatever?
Why purchase any medicine whose
maker dare not back it just as I do by
this remarkable offer?

And besides, I am no stranger to you.
My "No Risk" plan has made Dr.
Shoop's Restorative a household name in every drug store
in the land. The people have said, "We take
no chance when we use Dr. Shoop's."

For twenty years Dr. Shoop's medicines have
become thoroughly standardized all over America.
And I have a well known and responsible
druggists in every city and village where
where to get my medicine and yours. These
selected druggists are placing my medicines with
the sick—and the entire risk is mine alone.

But write me first for an order.
I have an agent in almost every commu-
nity—but all druggists are not authorized to grant
the 30 day test.

So drop me a line, please—and thus save all
disappointments and delays.

Besides, you are free to consult me by letter
as you would your home physician. Do so freely
and fully—if you desire. My advice and the book
below are yours—and without cost. Perhaps a
word or two from me will clear up some serious
ailment. I have helped thousands upon thousands
by my private prescription or personal advice plan.

Besides, the books will open up new and
helpful ideas to you. They tell of my 30 years ex-
perience at the bedside in homes and in Hospi-
tals. All phases of diseases and relief are told of
here. They tell of my "No Risk" plan—no more
no larger than a silver dollar. Just gives to the
Heart its impulse. How the Stomach and Kidney
each have their inside or power nerve. How
these organs surely falter when these controlling
or master nerves fail to fall. How Dr. Shoop's
Restorative goes directly to these failing nerves,
and rebuilds and restores the lost
tone and power. I can help you—if it is
within the power of medicine to do so. My best
effort is surely yours if you simply request. So write
now, while it is in my mind, for tomorrow
never comes. Dr. Shoop, Box 12, Racine, Wis.

HIS SOUL FAR ABOVE TRAD-

Also the Haughty Man of Wealth Has
What is Considered by Many a
Better Graft.

Andrew Carnegie, at a dinner in
New York, continued his indictment
of Great Britain and Germany for
their barbarous and stupid building
of warships.

"How perverted," said Mr. Car-
negie, "is a nation that thinks to
promote peace by augmenting its
armament. As though my neighbor
and I should point cannon at each
other's houses from every window,
explaining, whenever we crowded a
half dozen more guns in, that this
sort of thing heightened neighborly
feeling and good fellowship!"

"Perverted indeed," said Mr. Car-
negie, "are such ideas of peace! As
perverted as the New York aristoc-
rat's idea of honor."

"A young westerner came to this
aristocrat and asked him for his
daughter's hand."

"I can support her in good
style," he said. "I am worth \$11-
000,000."

"The aristocrat, whose family had
done no work since his grandfather,
40 years before, had retired from the
wholesale clothing business, frowned
and said thoughtfully:

"But, my young friend, did you
make this money in—er—trade?"

"Trade?" said the suitor haughti-
ly. "I guess not! I'm in the legis-
lature!"—Chicago Journal.

GET OUT OF DOORS.

Trudeau's classic experiment
points us in the right direction.
After inoculating a number of rab-
bits with tuberculosis, he confined a
number of them indoors and turned
the others outdoors. The latter all
recovered, while the former all died.

This experiment shows that a rab-
bit, living upon its natural food and
under a natural environment, is
proof against tuberculosis. There is
abundant reason to believe this
equally true of man.

In other words, tuberculosis is
not a necessary evil of human life,
but is a natural consequence of er-
roneous habits and departure from
natural conditions. Man is natu-
rally an outdoor animal. A mole lives
a healthy life in a burrow. A man
must live in the fresh air and the
sunshine.—Medical Record.

UNAFRAID.

Pausing in his labors the grave-
digger refreshed himself with a nip
from a black bottle. At that mo-
ment the minister passed by.

"Your action causes me pain," ex-
postulated the minister. "Are you
not afraid you will fill a drunkard's
grave?"

The gravedigger smacked his lips
twice, replaced the black bottle in
his hip pocket, and replied:

"There is nothing to be afraid of,
sir. I ought to know. I've filled
many a one."

NO, INDEED!

words."

RIVERVIEW EXPOSITION.

Chicago's Greatest Amusement Enter-
prise Completed at a Cost
of \$5,000,000.

None of Chicago's other marvelous
achievements equal the great amuse-
ment enterprise it has just launched,
RIVERVIEW EXPOSITION.

This exposition surpasses everything
of its character since the original
World's Fair. Five million dollars was
expended to make it a crowning gem in
Chicago's coronet of beautiful parks.
Last season 7,600,000 persons visited
the exposition. This year it will ac-
commodate 16,000,000. A trip to Chi-
cago would be incomplete without a
visit there.

RIVERVIEW EXPOSITION sur-
passes Caesar's ancient Circus Maximus
where 1,000 dancers entertained Rome.
Five thousand dancers could be lost in
any one of its courts, esplanades,
causeways or wooded groves. That
many show girls, trick riders, Indians
and cowboys are used in its "Frontier
Day Fetes" alone.

Twice as many are accommodated in
the amphitheater, where Mexican bull
fights occur. Wild bulls and daring
Toreadors daily enact thrilling contests
for life and death. A Spanish band of
100 pieces discourses national music.
Many military bands render open air
concerts. The industrial exhibit includes
wireless telegraphy, flying machines,
dirigible balloons, aeroplanes and other
mechanical marvels.

RIVERVIEW EXPOSITION'S match-
less attraction is "The Creation." This
stupendous scenic spectacle, animated
by Biblical characters of the Garden of
Eden, is destined to attract world-wide
attention. It is the product of the
genius of E. W. McConnell, builder of
several world-famous fairs, and his staff
of a hundred artists.

The scene is the Valley of the Eu-
phrates, where tradition locates Eden.
Awe-struck spectators view as near to its
reproduction as man may conceive.
The great religious drama closely follows
the Scripture.

"There is first a void, then darkness,
dawn and light; separation of the sky,
the earth and the waters; the beginning
of life in the air and the waters, birds
and fishes, creeping and crawling things,
celestial anthems of unseen spirit bands;
the creation of Adam and Eve, their
temptation, transgression and expulsion
by Angel Gabriel, who drives them forth
with a flaming sword."

A great 25,000 pipe organ intones ap-
propriate music. Its deep tubes produce
thunder, and its flute-like notes the
murmur of forest small life. Flashes
of lightning and angry storms are made
by electrical and water effects. Space
forbids an adequate description of this
marvelous scene.

Another great novelty is "The Races,"
an English panorama. Fifty horses at-
tached to chassis raise over the high-
way to Coventry.

RIVERVIEW EXPOSITION'S "Court
of Honor" has been equaled since
the Ancient Hanging Gardens of Baby-
lon. Its center is a lagoon of crystal
water, through which flash myriads of
silver and gold fish. The limpid edges
are fringed with emerald lawn set in
rows of stately Lombardy poplars. Cas-
cade fountains play prismatic sprays
high overhead and cooling mists float
downward into the lagoon. Fantastic
facades and white pavilions gleam
through the trees as a marble setting
for the beautiful landscape.

"Over Niagara Falls" reproduces on
a mammoth scale the famous water-
falls.

The inspiring strains of great bands,
softer tones of orchestras, sounds of
merriment from joyous throngs, sunlit
waters and forestry, gay show-places,
the whirl of aerial cars and flying ma-
chines, whistles of miniature railroads,
vocalization of the animals of "Circle D
Ranch," chanting Indians, the familiar
"footing" enthusiasts in the baseball
park, the silent onward movement of
the river that courses through the great
park, and millions of activities that im-
part pleasure, mystery and delight,
make RIVERVIEW EXPOSITION a
place of magic, the like of which the
world has never seen.
